Subject: **Request for Non-levy of Non-Construction Charges :**

Plot No. 5576, Block F, Aerocity, SAS Nagar due to incomplete development works

Sir,

I am the allottee of Plot No. 5576, Block F, Aerocity, SAS Nagar. I would like to bring to your kind attention that although I have obtained the approval of the building plan/map in 2019, I was unable to commence construction on the said plot. This is because the development works, including roads and other essential infrastructure, had not been completed up to the year 2020, thereby making it practically impossible to initiate any construction activities. I had duly brought this matter to your notice earlier through my applications dated **28th August 2019** and **18th May 2025**, highlighting the incomplete status of development at the site.

In view of the above facts, I humbly request that **non-construction charges** should **not be levied** for the period during which the development works remained incomplete, as the delay in construction was solely due to circumstances beyond my control.

I kindly request you to consider my representations favourably and pass appropriate orders to exempt my plot from non-construction charges for the relevant period.

I shall be grateful for your kind consideration.

Sincerely,

(Seema Mahajan)
